

## Aviareto Quality Policy Statement

**Aviareto**, a joint venture between SITA SC and the Irish Government, has a contract with the International Civil Aviation Authority (ICAO) to establish and operate the International Registry as required by the Cape Town Treaty.

### Aviareto's Mission

Our primary mission is to support the effectiveness of the Cape Town Convention and Aircraft Protocol by efficiently operating the International Registry in collaboration with the Industry.

### Aviareto Business Objectives

1. Continuous renewal of International Registry contract
2. Supporting the effectiveness of the Cape Town Convention and Aircraft Protocol
3. Continuous investment in the IR platform and processes on a not-for-profit basis over the term we operate the International Registry
4. To explore appropriate and adjacent electronic registry opportunities, focusing on aviation and collateral registries

### Aviareto Strategy

The objectives will be achieved through the following strategy

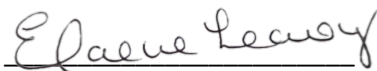

1. Exemplary governance, ethical and legal standards
2. Customer responsiveness
3. Quality processes and systems
4. System security and integrity
5. Building critical industry expertise and knowledge while Innovating
6. Maintaining strong relationships with the industry

Aviareto management is committed to maintaining and continually improving the effectiveness of the ISO 9001:2015 quality system, the ISO 27001:2022 Information Security Management System, and ISO 22301:2019 Business Continuity Management Systems, which supports our business strategy and our need for continuous improvement. Adequate resources and management energy will be committed to this critical endeavour.

This policy and the quality objectives are reviewed at the quality management review for continued suitability and shall be understood by all employees. This policy is communicated to all employees as part of our induction programme and is displayed throughout the office.
